## Holiday Card CAMPAIGN

### THANK YOU FOR YOUR SUPPORT IN GRATITUDE

Thank you to our donors for allowing the Kent Medical Foundation Board of Trustees the opportunity to support community programs. The following grants were made to date in 2023:

#### Calvin HEALTH Camp

This unique, five-day camp on Calvin University's campus for girls ages 9-15 years who are living in low socioeconomic and diverse racial backgrounds in Grand Rapids. Using faculty and health professionals for instruction, the camp promotes health by introducing participants to basic health concepts including the importance of nutrition, exercise, reproductive health, maintaining mental health and self-esteem, addressing anxiety, chronic diseases, social factors of health, genetics, and cancer. A grant in the amount of \$5,500 was made.

#### Grand Rapids Children's Museum

The recent pandemic forced a closing of all events for the Grand Rapids Children's Museum. A grant from the Kent Medical Foundation allowed for the GRMC to host two events, focusing on access for families with children on the Autism spectrum. Families were able to benefit from a limited-capacity visit to appreciate a calmer museum setting. A grant in the amount of \$2,500 was made.

#### Hand 2 Hand

Hand2Hand exists because a hungry child hurts, and the weekend is one of the most vulnerable times for a child who experiences food insecurity. Hand2Hand partners with local churches and schools to feed children in West Michigan who have been identified as being at risk of weekend food insecurity. Since 2008, Hand2Hand has provided students with weekend meals. They feed more than 10,327 students in 273 schools in Allegan, Barry, Kent, Mason, Muskegon, Newaygo, Ottawa and VanBuren Counties. A grant in the amount of \$3,000 was made.

#### Physician Volunteerism Grants

The following physicians were recognized for their donation of time and leadership to local non-profits. KMF Board grants \$250 to West Michigan health-related charities that physician members choose to share their free time and guidance. Grants of \$250 were made to the following organizations in 2023:

- **Holland Aquatic Center in honor of Bryan Huffman, MD**
